**DCBULL by ARTHUR L. EKREM**

**MONDAY STARTS WITH AN "M" - AND?**

**The OBAMA'S ARE IN MARTHA'S VINEYARD**

*Well, we all survived another exciting weekend, at least those of you reading this survived, and for those of you that did not survive, safe travels to the great beyond. It brings this patriotic American great peace to know Barack, Michelle and the First Kids are dropping \$50K a week to hang out on Martha's Vineyard - plus miscellaneous first family expenses - or as we at DCBULL call it, mad money. Healthcare can wait, and the economic bailout, screw it - I mean, the first family needs to chill. Nothing says to the American people "go to hell" more than the Obama clan dropping a cool \$1 MILLION bucks plus for a break from the problems facing our country. Even Bernie Madoff was heard to say about the Obama vacation "that guy from Chicago's got some balls" - need I say more.*

**TODAY IN THE NEWS - MY TAKE**

**POOR MALAYSIAN WOMAN TO BE CANED FOR A SIP OF BEER**

**(WE AT DCBULL HOPE IT WAS A KICK-ASS IMPORT)**

*On a more sensitive note, the caning of a poor Malaysian woman who took a sip of beer has been postponed. It brings this writer, great peace to see the Muslim-majority Malaysia is putting the brakes on beating the crap out of this little lady, due to the holy month of Ramadan. Nothing says we are a holy people more than an interim break from CANING the shit out of a 98 pound mother of two small children. I mean after all, any God worth worshiping would want you to avoid torturing a small woman while you take time to observe spiritual tranquility.*

**ARGUMENT** - *But here is where it gets really good. Ramadan is the Islamic month of fasting, in which participating muslims refrain from eating, drinking, smoking, and indulging in anything that is in excess or ill-natured - which I guess includes taking a rattan cane made from a palm tree and having a powerful man lash a tiny woman 6 times - breaking*

## About Me

Arthur L. Ekrem  
Washington, DC

For many years now, I have been a privileged behind the scenes

Washington DC insider. I

am paid to lurk in the crevices of our Nations Capital in order to make sense of it all. My activities in politics and private concerns have included board seats, equity, stock ownership, campaign management, political strategy, policy adviser, and chief trouble solver. With a quarter of a century worth of exploits in DC under my belt, and at the urging, prodding and insistence of those in high and not so high offices, I have decided to write this daily blog....Good Lord.

skin and leaving permanent scars. Oh yeah, followed by 3 years in jail – hard labor. Seems like a fitting punishment – all because she had a sip of beer in a club and country where they openly serve booze – just not to women.

**MY TAKE** – Important note; if you are a man from this cultural mecca called Malaysia, "Men convicted of crimes such as rape and bribery in Malaysia are caned only on their buttocks". Now we see justice at work. All this time – while we have been blowing up Iraq and the good people of Afghanistan, we should have been overthrowing these Malaysian barbarians. Amnesty International, lawyers, and politicians have suggested this act might tarnish Malaysia's image as a moderate country – YOU THINK??? – **GOOD LORD.**

### **MY MAIN OBSERVATION**

*I usually reserve this sacred second column space for a lead story, political strategy or observational comment from yours truly. However, after the caning story, we feel this space can take a justified day off.*

#### **THE AP REPORTS:**

WASHINGTON (AP) – The CIA hired private contractors from Blackwater USA in 2004 as part of a secret program to kill top-level members of al-Qaida, but a spokesman says it never resulted in the capture or killing of any terrorist suspects.

Thursday will feature my inside scoop on the ins and outs of our once proud, but now ever more impotent intelligence community. God bless the CIA – and don't you ever forget it.

## WHAT IS DCBULL?

*An honest source for what REALLY goes on in Washington DC and the political strategies used by inside advisors and PR experts. Nothing happens in DC by accident - as Shakespeare wrote, "all the world is a stage, its men and women merely players" - no where is this more true than in Washington DC.*

*Every news outlet claims to be the divine spearhead for honesty in politics and fair reporting. Can you really believe yet another source for DC news? Well buckle up all of you who claim unbiased reporting from inside the DC beltway. Here I am - and the BULL starts here.*

## WHO AM I?

*Arthur L. Ekrem (ie: me) is a legitimate non-partisan insider who knows DC inside and out, where I have played at the National level for decades.*

*I feel the two party system is seriously flawed and dying fast. The only hope our great nation has for revival is through a new party order that will not play under the current DC system of so-called democracy. A fresh candidate will be perhaps a leader of industry who will scare the crap of the DC insiders, and stimulate hope and fresh thinking in the minds and spirits of a new generation of i-Phone voters.*

*Our founder and editor (ie: me) has early ties in DC from the Reagan White House to the Clinton administration and beyond. It should be noted that I also adore and often quote George Carlin, Thomas Jefferson, Howard Stern, and my favorite political comedian; George W. Bush. Lets face it "W" as they called him, was the funniest man in DC since Hoover (no, not President Hoover - I speak of J. Edgar Hoover - America's first really prominent cross-dresser and all around funny DC insider).*

*Here at DCBULL I will feature a full array of DC characters and inside arguments in an honest light, and not as portrayed in the mainstream media. So watch yourself DC, because I am watching you.*
