## **BON-VOYAGE TEDDY**

*READ TEDDY BLOG FROM LAST WEEK (AUG 20TH) - BLOG ARCHIVE TO THE RIGHT*

*I would like to take this opportunity to wish Senator Ted Kennedy a heart felt bon-voyage, as he makes his way to the happy martini bar in the sky.*

*I was the first to learn that Teddy bought a new farm just down the street from the Apostle Paul and across the desert from Moses - (prime real estate I understand). Having known Teddy for 28 years, it is only fitting that his passing falls in the throws of our pending National health care overhaul. There were many things that the Senator was not, but he certainly was consistent with his desire to provide healthcare for all Americans.*

## **DEAD DEFINED AS:**

*no longer having or seeming to have or expecting to have life not showing characteristics of life especially the capacity to sustain life\*

*all in(p): very tired; "was all in at the end of the day"; "so beat I could flop down and go to sleep anywhere"; "bushed after all that exercise"; "I'm dead after that long trip"*

---

## **UNRELATED NEWS**

*It now appears that every member of the Kennedy family has or will soon die.*

## **About Me**

Arthur L. Ekrem  
Washington, DC

For many years now, I have been a privileged behind the scenes

Washington DC insider. I am paid to lurk in the crevices of our Nations Capital in order to make sense of it all. My activities in politics and private concerns have included board seats, equity, stock ownership, campaign management, political strategy, policy adviser, and chief trouble solver. With a quarter of a century worth of exploits in DC under my belt, and at the urging, prodding and insistence of those in high and not so high offices, I have decided to write this daily blog....Good Lord.

## WHAT IS DCBULL?

*An honest source for what REALLY goes on in Washington DC and the political strategies used by inside advisors and PR experts. Nothing happens in DC by accident - as Shakespeare wrote, "all the world is a stage, its men and women merely players" - no where is this more true than in Washington DC.*

*Every news outlet claims to be the divine spearhead for honesty in politics and fair reporting. Can you really believe yet another source for DC news? Well buckle up all of you who claim unbiased reporting from inside the DC beltway. Here I am - and the BULL starts here.*

## WHO AM I?

*Arthur L. Ekrem (ie: me) is a legitimate non-partisan insider who knows DC inside and out, where I have played at the National level for decades.*

*I feel the two party system is seriously flawed and dying fast. The only hope our great nation has for revival is through a new party order that will not play under the current DC system of so-called democracy. A fresh candidate will be perhaps a leader of industry who will scare the crap of the DC insiders, and stimulate hope and fresh thinking in the minds and spirits of a new generation of i-Phone voters.*

*Our founder and editor (ie: me) has early ties in DC from the Reagan White House to the Clinton administration and beyond. It should be noted that I also adore and often quote George Carlin, Thomas Jefferson, Howard Stern, and my favorite political comedian; George W. Bush. Lets face it "W" as they called him, was the funniest man in DC since Hoover (no, not President Hoover - I speak of J. Edgar Hoover - America's first really prominent cross-dresser and all around funny DC insider).*

*Here at DCBULL I will feature a full array of DC characters and inside arguments in an honest light, and not as portrayed in the mainstream media. So watch yourself DC, because I am watching you.*
